Kitchen Ideas – Fellowship Hall – LaVaughn met with Committee last Friday and presented
suggestions for FH kitchen. Committee waiting to see if grant received from Ritchie Foundation.
Does not appear that size of kitchen will change; electrical available for buffet outside kitchen,
but not water access. FH will have on demand water heaters. Thanks to LaVaughn for putting
together the ideas/suggestions for kitchen.

Playground refurbishment – Jason was able to secure us truckload of mulch for \$315 donation to BTB (was to be used for FH but not needed). We set date for spreading mulch – Saturday, May 2, 2020 at 10:00am. Kathy will get with Richard about using power washer to clean playground equipment the week before May 2nd so we will be ready to spread. We just let Jason know when we want the mulch delivered. Karen volunteered to help Kathy with the power washing. Madeline will email David Preslar about this project and hopefully recruit some youth to help us out.

Sue Wall contacted Kathy about ideas for revamping Funeral Meals. Sue suggested having two teams that alternate funeral meals – maybe ladies from Miss Katherine group and ladies from SLC. Madeline, Karen, Linda Cline, LaVaughn, Kathy would be willing to help as their schedules permitted. Madeline agreed to be the point person for SLC. In the event of funeral, PC calls Sue, Sue calls food zone contacts, then Sue would call Madeline or Miss Katherine rep and they are responsible for calling team in to help set up, serve and clean up.

Next Meeting -- March 3, 2020 at RHM AT 6:00PM; dinner afterwards at Capriano's

Respectfully submitted,
